Healthcare Triangle Partners with Google Cloud to Accelerate Cloud Transformation for Healthcare and Life Sciences Organizations

“Premier Partner status enables Healthcare Triangle to accelerate cloud transformation, data management, analytics, and AI journey for healthcare and life sciences (HCLS) organizations”.

PLEASANTON, California., October 19, 2021 / Globenewswire / — Healthcare Triangle Inc., (Nasdaq: HCTI) (“HCTI” or the “Company”) a leading provider of cloud and data transformation solutions in healthcare and life sciences, is pleased to announce that it has advanced to Google Cloud Premier Partner status. This advancement to ‘Premier’ status is based on its success in building, deploying, and managing Google Cloud solutions for regulated healthcare and life sciences organizations and building massive data analytics platforms on Google Cloud’s highly scalable and reliable infrastructure.

Through the Google Cloud Partner Advantage Program, HCTI solves healthcare and life sciences organizations’ complex challenges with innovative solutions in areas such as data analytics, AI, security, compliance, blockchain capabilities, cloud DevOps and other key cloud products. With the Premier Partner status, HCTI continues to deploy the scalable and secure infrastructure on Google Cloud to maximize customers’ operational efficiencies.

HCTI uses Google Cloud to help companies create and architect a value-driven cloud transformation. The Premier status designates a proven record of delivering exceptional customer service and in-depth technical expertise around core Google Cloud specializations and certifications.

With the availability of Company’s healthcare solution offerings on Google Cloud Marketplace, the Company presents a practical and cost-effective way for healthcare and life sciences organizations to deliver on their data strategy with state-of-the-art AI/ML, advanced analytics, and a highly agile infrastructure. At the same time, the Company can also offer a consolidated bill to their customers, launch innovative data and AI solutions on Google Cloud Marketplace, own the customer relationship, and advise customers on how to best leverage Google Cloud’s technology through the sales engagement model with Google Cloud. Looking forward, the Company plans to expand its footprint on Google Cloud.

“Being named a Google Cloud Premier Partner highlights the Company’s commitment to innovative, strategic relationships that allow us to deliver cloud insights and solutions that drive meaningful outcomes for our clients,” says Suresh Venkatachari, CEO of HCTI. “As a Premier Partner, we are committed to helping our customers realize the benefits of Google Cloud and providing a solid foundation including hybrid, multi-cloud, and cloud-native environments, as well as DevOps automation, smart analytics and AI, healthcare industry solutions, infrastructure and application modernization.”

“As a healthcare IT leader enabling clients to deliver digital transformation, we are very excited to work with Google Cloud as one of their Premier Partners. The Company now addresses a range of healthcare use cases including personalized healthcare and accelerating drug research & development using proprietary technology platforms, AI solutions, and healthcare IT service offerings,” says Lakshmanan Kannappan, Head of Strategic Partnerships and a Board member for HCTI. “As interoperability is foundational to achieving the digital transformational goals in healthcare, the Company is working with Google Cloud on the client readiness program and building Healthcare API based solutions.”
