For avoidance of any doubt due to the general understanding of meaning of 'postal ballot' as voting by post (which is not contemplated in this notice), the term 'remote e-voting' is consciously used in this notice (instead of using the term 'postal ballot') which appropriately clarifies that the manner of voting on the resolutions is restricted to voting only through remote e-voting. Hence, in compliance with the requirements of the MCA Circulars, hard copy of postal ballot notice along with postal ballot forms and pre-paid business reply envelope will not be sent to the members for the present postal ballot and members are required to communicate their assent or dissent through the remote e-voting system only. The instructions for remote e-voting are appended to this notice. The proposed resolutions and explanatory statement setting out material facts as required in terms of section 102 of the Act read with the Rules and the MCA circulars are appended below for seeking consent of the members of the company through remote e-voting.

The Board has, pursuant to Rule 22(5) of the Companies (Management & Administration) Rules, 2014, appointed Ms. Nithya Pasupathy (CoP No. 22562) of M/s. SPNP & Associates, Practicing Company Secretaries, as the scrutinizer for conducting the postal ballot e-voting process in a fair and transparent manner.

The Company has engaged the services of M/s. Central Depository Services (India) Limited ('CDSL') for the purpose of providing remote e-voting facility to all its members. Remote e-voting shall commence from Saturday, December 03, 2022 at 9.00 A.M. (IST) and ends on Sunday, January 01, 2023 at 5.00 P.M. (IST). The scrutinizer will submit the report to the Board of Directors, after completion of scrutiny of e-voting but not later than two days from the date of conclusion of the postal ballot process, and the result of the postal ballot will be declared on or before Tuesday, January 03, 2023 at any time before 5.00 P.M. (IST). The result of postal ballot along with the scrutinizer's report shall be

communicated to the Stock Exchange(s) where the securities of the Company are listed, uploaded on the website of the e-voting agency CDSL and be uploaded on the Company's website at www.securekloud.com. The proposed resolutions, if approved, shall be deemed to have been passed on the last date of remote e-voting, i.e., Sunday, January 01, 2023.

EXPLANATORY STATEMENT
PURSUANT TO SECTION 102 OF COMPANIES ACT, 2013

Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('SEBI Listing Regulations'), as amended vide SEBI (Listing Obligations and Disclosure Requirements) (Sixth Amendment) Regulations, 2021, effective April 1, 2022, states that all Material Related Party Transaction ('RPT') with an aggregate value exceeding INR 1,000 crores or 10% of annual consolidated turnover of the Company as per the last audited financial statements of the Company, whichever is lower, shall require approval of shareholders by means of an ordinary resolution. The said limits are applicable, even if the transactions are in the ordinary course of business of the concerned company and at an arm's length basis. The amended Regulation 2(1)(zc) of the SEBI Listing Regulations has also enhanced the definition of related party transaction which now includes a transaction involving a transfer of resources, services or obligations between a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand, regardless of whether a price is charged or not.

The transaction shall also be reviewed/ monitored on an annual basis by the Audit Committee of the Company and shall remain within the proposed amount being placed before the shareholders. Any subsequent material modification in the proposed transaction, as may be defined by the Audit Committee as a part of the Company's Policy on Related Party Transactions shall be placed before the shareholders for approval, in terms of Regulation 23(4) of the Listing Regulations.

The business of your Company would be significantly impacted if the transactions of the nature stated herein above are not carried on by the Company or are restricted. It is in the interest of the Company, therefore, to continue to engage in the said transactions as they contribute to the business growth, competitiveness and efficiency of the Company.

Based on the recommendation and approval of the Audit Committee and the Board of Directors, and in the above context that Resolutions No. 1 to 6 are placed for the approval of the shareholders of the Company for financial years 2022-23 and 2023-24.

Item No 1:

The Audit Committee on April 29, 2022 approved the related party transaction between SecureKloud Technologies Limited and SecureKloud Technologies Inc for financial year 2022-23 for an amount not exceeding INR 30 crores which is less than 10% of the annual consolidated turnover of the listed entity based on last audited financial statements. However, the transactions between the entities for the half year ended September 30, 2022 is INR 21 crores and it is expected to exceed the threshold limit by the end of the financial year; thereby, the audit committee increased the limit to an aggregate amount not exceeding INR 106 crores for the financial year 2022-23. Since, the proposed transaction value is likely to exceed the 10% of the annual consolidated turnover of the listed entity as per the last audited financial statements, the audit committee approved the same and also recommended the resolution to be passed by the shareholders, as per the requirement of the provisions of the listing regulations.
