Subject: Disclosure under Regulation 30 read with Schedule III of SEBI (LODR) Regulations, 2015

Pursuant to Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, we hereby inform you that the Board of Directors of the Company, at its meeting held today, i.e., June 10, 2025, has granted an in-principle approval to M/s. SecureKloud Technologies Inc., USA, a “Subsidiary” of the Company, to file for bankruptcy under the United States Bankruptcy Code.

The decision to file for bankruptcy protection follows a comprehensive evaluation of the Subsidiary’s financial position considering the substantial litigation claims that have been asserted against the Subsidiary that has resulted in actual and potential liabilities that materially exceed the Subsidiary’s assets.

The estimated impact of the proposed bankruptcy filing on the listed entity is approximately ₹26,00,00,000 (Rupees Twenty-Six Crores), representing outstanding receivables from the said subsidiary. In addition, SecureKloud Technologies Ltd. has provided \$5 million corporate guarantee to the Columbia bank for the USA subsidiary, out of which \$1.62 million is outstanding as of date.

There is no impact on business continuity for SecureKloud Technologies Limited because the customer contracts and employees from SecureKloud Technologies, Inc were acquired by Healthcare Triangle, Inc through an Asset Purchase Agreement in October 2024.

The Company will provide further updates as appropriate.

This is for your information and records.

Thanking You

For SecureKloud Technologies Limited
